Dear Parent / Carer

Re: Building Work to be carried out

I would like to advise you that there will be building works carried out to the front of the school over the next few weeks in order to increase parking.

Whilst the work is being carried out, parents and visitors are asked to not bring cars onto school premises unless arranged in advance with the main office.

If you drop off or collect your child from school, we are asking that you remain on the estate outside of the school gates. As I am sure you will appreciate, there will be a lot of equipment on-site at this time so the school cannot be held responsible for any damage that may occur to cars entering onto the school grounds during this time. There will be access for designated school buses only.

Thank you for your support and patience.

Yours sincerely,

Mrs. L. Davies
Head Teacher
