Dear Parent/Carer

Re: Coursework Concerns.

As you will now be aware your child has entered the final stages of their time here at Parkside. As a Year 11 pupil, it is their responsibility to complete work to the highest possible standard in preparation for their final GCSE exams, which will soon be here in May and June.

Your child has failed to meet a set deadline of one or more pieces of homework/coursework so far, which is having a detrimental effect on their grade. Pupils are issued with deadlines to ensure they are kept up to date with the increased workload they receive during year 11. We appreciate your child is under extra pressure this year and we endeavour to support them, however pupils are given extra work to ensure they fulfil their potential. I'm sure you would agree in this important year it is an expectation that these simple deadlines are met.

Should your child continue to miss expected deadlines we will apply further sanctions to prevent any further repercussions.

We would appreciate your support at this stage and would ask that you encourage the need for hard work over the final few months here at Parkside.

If you have any questions or further concerns, please do not hesitate to contact me or their class teachers at school to discuss this further.

Yours sincerely,

Mr. C. Goldsmith

Year 11 Leader
