

# Are you a parent/carer supporting a child or young person with emotional or mental health problems?

"I just wish I knew how to help"

## You are Not Alone

"The session really helped me understand and know what to do"

Supporting a child with emotional or mental health problems can be really difficult and challenging for any parent or carer. Information, advice and support can make the tough times a little easier.

## Training and Information Sessions for Parents/Carers

Sessions will be delivered by a parent with experience of supporting a child with emotional and mental health difficulties and mental health professional. You will meet other parents who may be going through similar experiences, receive information, advice and practical tips around what might help you and your child.

All sessions are free and open to any parent, carer or family member who is supporting a child with emotional or mental health difficulties.
