For Oakenshaw, Toronto and Hunwick bus times please refer to the latest SB Travel 108/109 Service Timetable online.

Please Note:

The above times are approximate and parents must ensure that students are at the appropriate pick up point at least **five minutes early**. Students (for Garnetts & SB Travel buses) must carry their bus passes with them at all times as the driver **can refuse access to the bus** if a student is not carrying a bus pass.

Parents are responsible for ensuring children behave in a reasonable and responsible manner whilst travelling on school transport. Inappropriate behaviour on or waiting for the bus can result in a temporary or permanent ban. If your child is banned from the school bus parents have the responsibility of getting their children to school.

Additional Information:

If your child gets a Garnett's bus to school and the bus does not turn up due to it breaking down or for bad weather etc... your child **should remain** at the bus stop as another Garnett's bus will be coming to pick them up as soon as is possible.

Should your child decide to leave the stop and go home then it is the parents' responsibility to make sure that they still get into school.

If the school is closed for bad weather or any other reason parents will be informed by the school's messaging system and the information will be on the school's website at www.parkside.org.uk

Lost Bus Passes

Replacement bus passes are only available from Pupil Transport at County Hall. Replacement school bus passes cost £5, which can be paid for over the phone by debit card. They will then be sent out by post to your home address. The school will write a temporary pass for up to 4 weeks until the replacement pass arrives.

Pupil transport at County Hall can be contacted on the phone number below:

County Hall – Pupil Transport
