Dear Parent/Carer

## Year 7 Humanities (History and Geography) Engage Evening

Parental engagement is a vital part of your child’s learning. At Parkside we are working hard to improve on the variety of ways in which we communicate and work with parents. In effective schools, parents are actively involved in the education of pupils and this is something that we are passionate about at Parkside.

With this in mind we would like to invite you to our “*Humanities Engage Evening*”. Engage is a programme aiming to provide you with the opportunity to take part in fun, interactive activities that have been designed to involve both pupils and their parents or carers.

This event will take place on Thursday 23<sup>rd</sup> May 6- 7pm at Parkside Academy.

The Engage programme aims to allow you as parents and carers to develop the confidence, skills, knowledge and understanding that may be required to support your child in their learning at home. The evening is open to everyone, regardless of ability, and we would strongly encourage you to come along with your child.

The evening will begin in the lecture theatre before everyone breaks off to work with the Humanities department in two focused workshops each session will last for 30 minutes.

I do hope that you will be able to attend. Please complete and return the reply slip below indicating whether you will be attending.

Yours sincerely,

Mrs K Armstrong
